

Rob Bedelis

1. **What skills would you bring to the Board of Directors, if elected?**

Project management skills, technical skills as a mechanical engineer, and a “let’s-get-it-done” attitude.

2. **What leadership roles have you had in work, SCCA, or other volunteer endeavors?**

Work-related: Currently working as Application Engineer for global drivetrain / powertrain manufacturer.

SCCA: Milwaukee Region board member since 2011, Regional Executive [2014], Vice-Regional Executive [2015], member of March Of Dimes PDX organizing committee since its inception eleven years ago, co-chair of national Time Trials Safety Committee for five years, Crew Chief for DSR road racing effort in 2012, Milw Region Solo Equipment Chief for nine years, Solo Safety Steward, Time Trials Chief Steward / Instructor / Safety Steward, RallyCross Safety Steward, Street Survival Instructor and Safety Steward

3. **What would you seek to change in Milwaukee Region, if elected?**

I am seeking better ways to engage new members and retain existing members for increased participation at club events, and to help improve marketing efforts to elevate awareness of the club to “the outside world”.

4. **What would you seek to keep the same in Milwaukee Region, if elected?**

I am working to uphold the outstanding reputation that Milwaukee Region has amongst its peers.

5. **Why do you want to run for the Board of Directors?**

I have been on the board for six years now, and I would like to continue serving on the board.

6. **What has been your involvement in SCCA?**

I have been an SCCA member since 1993. In addition to all of my previously-mentioned leadership roles with the club, I started participating in SCCA as crew for two different SSGT efforts in consecutive years, I began participating in solo in 2001 (including Eqpt Chief, Solo Committee, and Solo Safety Steward), and I was crew chief for a DSR road racing effort in 2012. I am also currently the Milwaukee Region Time Trials committee chairman.
