

Mark Amenda Memorial Majors
Blackhawk Valley & Milwaukee Regions
April 30 & May 1, 2022
Blackhawk Farms Raceway 1.95 Mile
Sanction 22-M-57235

SUPPLEMENTAL REGULATIONS

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. By participating in any BVR/Milwaukee SCCA event, you voluntarily assume all risks related to exposure to COVID-19. Please follow any state, local, or track published guidelines.

This event is governed by the 2022 General Competition Rules (GCR) and Category Specifications, as amended for 2022 per "Fastrack", except as modified by these Supplemental Regulations.

REGISTRATION: Drivers can register for the race online at msreg.com/BHFMajors2022. Online registration closes Tuesday 4/26/2022 at 11:59 PM. At-event Registration will be held in the Registration building located to the right of the main entrance to the raceway. Drivers may use or request a paper entry form and mail it with their entry fees (do not mail entries by any method that requires a signature upon delivery) to the Chief Registrar:

ENTRY FEES: Entry fee for the two-day weekend is \$550. Second entry same driver \$330. Each SRF3 and FE2 entry will be charged an additional \$30 and each SM an additional \$20 compliance fee per entry for the weekend. The Runoffs appearance fund fee is included in the entry fee.

ENTRY FEE PAYMENT: Credit cards will not be processed before 4/29/2022. Make checks payable to **Blackhawk Valley Region, SCCA**.

A refund will be made if the entry does not go on track. Withdrawal notifications are accepted by email, phone, or in person to the Chief Registrar or via MotorsportReg.com and would be greatly appreciated in advance of the event and no later than noon Sunday May 1st.

PASSES: Each entry receives four (4) passes total, including the driver and entrant. Additional passes may be purchased at Registration for \$10 each. Workers, guests, & crew must sign for their own passes and must arrive while registration is open. All crew members signing in under a prep shop list must be an SCCA member. Weekend memberships are available for purchase if needed. SCCA members (non-participants) must present a valid membership card for admission. Workers and members are limited to one guest each. Worker license and membership card must be presented at registration.

Due to track rules, SCCA members, crew, and guests who arrive outside of the posted hours of registration will **NOT** be able to gain admission without the event credentials. In addition to the SCCA event or annual waiver, the track requires all attendees to sign their track waiver.

DRIVER ELIGIBILITY: Drivers must be a current member of the SCCA and have a current SCCA Full Competition license to participate in this event. If you do not have the proper credentials, it is your responsibility to contact the Registrar prior to the event. If the Race Director allows the substitution of a car or driver, per GCR 5.12.3.A.6, any qualifying times earned for the original car/driver up to that point will be removed.

CAR ELIGIBILITY: Competition is open to all cars conforming to the GCR, as amended. Each car in each class is required to have a properly mounted and functioning AMB TRANX 260 or MyLaps X2car transponder. Transponder times are the official times for all competition vehicles. Competition vehicles must have US Majors Tour decals displayed on both sides and display the official Summit Racing Equipment SCCA Road Racing decal per GCR section 9.3.29. To be eligible for the CenDiv Divisional Championship Series presented by TRO Manufacturing cars are required to display CenDiv Series stickers visibly on each side of the vehicle. Stickers are provided free of charge and are available at tech.

COMPETITION NUMBERS: For entries received by the registrar through noon on April 16, 2022, Majors Series numbers reserved via the Majors Series Registration prior to the opening of online registration for this event's Majors groups will receive priority assignment. Secondary preference will be given to 2022 CenDiv reserved number holders. Due to the combination of classes within the run groups this may not be possible in all cases. At noon on April 16, 2022, all unused numbers from both reserved number lists will be released on a first-come, first-served basis. All three-digit car numbers must start with 1, i.e.: 1XX. When two drivers are sharing the same car for the weekend, each entry must have a different number assigned to them. Also, when one driver enters two different classes in the same race group, he must have a different number for each class entered.

TECH: All drivers without a current year helmet sticker must present all driver gear as required by the GCR, vehicle logbook, and completed tech card (obtained at Registration) to Tech. If your car requires an annual tech you must also bring the car to Tech. **NO Tech during the day Friday.** Tech will be located inside the paddock for all drivers.

SCALES will be available at Tech Saturday and Sunday 8:00 AM – 10:00 AM. Scales may be available for other participants during race impound, but priority will be given to impounded cars. Scales may be made available at other times at the discretion of the Chief of Tech.

EVENT SCHEDULE/RUN GROUPS: The event schedule or run groups may only be changed at the discretion of the Race Director, with concurrence by the BVR RE, depending on pre-race entry counts or as needed to accommodate situations that may be encountered during the event. If changes are made prior to the start of the event, as much notice as possible will be given to all affected competitors. The schedule as published is for planning purposes only. Start times indicated in schedule are when cars are scheduled to be released from grid onto the track. Saturday Practice and Sunday qualifying groups will split the allocated time. **Actual session start times may deviate from the published schedule based on actual event progression.** Listen to the PA system or tune to 88.7 FM and pay attention to what is happening on track.

IMPOUND: For Saturday and Sunday races, the top three competitors in each class shall report to impound immediately following the completion of their race or victory lap.

VICTORY LAPS: Winners of all races will receive a checkered flag. For Sunday races only, following the cool down lap, the winner of each class should proceed immediately to pit out where they will receive a checkered flag and be directed on course for a single Victory Lap. Drivers need not wear their helmet or gloves during the victory lap and passengers are permitted in accordance with GCR 6.11.7. Drivers shall maintain a safe speed and be wary of safety vehicles which may be on course.

GRID: Proper Credentials Required. Starting positions for the Saturday race will be determined by the fastest time recorded for each car during the preceding qualifying session. Starting positions for the Sunday race will be determined by the fastest time recorded for each car during the preceding qualifying sessions or their fastest lap during the Saturday race. If qualifying is not run for a group for any reason, the Race Director shall determine the method of setting the grid for the race. The fastest qualifier in a race group who selects the "outside pole" (per GCR) must notify the Grid Marshal at the front of the field before the five-minute warning is given for that race group. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

START/FINISH: During Practice/Warm-Up sessions, competitors will receive the checkered flag at Corner 6 and pit immediately. The race will begin and end at the stripe in front of Timing and Scoring.

SPLIT STARTS are at the discretion of the Race Director who must receive a request within 30 minutes after posting the final grid.

TIMED SESSIONS: Depending upon the circumstances, the Race Director may direct that the clock will continue to run during a black flag all in a timed session.

RACE LENGTH: Saturday races will be 20-minute timed races. Sunday races will be 24 laps or 35 minutes, whichever occurs first. In case of a delay and where time limit has expired, the Race Director may convert to laps to allow a Green, White, Checker to complete the race.

RADIO FREQUENCIES: The radio frequencies below are reserved for race operations and may not be used by competitors. Race officials may designate other frequencies for race administration.

452.7000	457.7000	461.1500	461.3250	462.2000	463.7000	464.0750
461.1750	463.2250	464.5250	466.1750	468.2250	469.5250	

NOISE POLLUTION: The maximum sound reading allowed by local ordinance is 102dB. When possible, in event that your car is measured above the limit, you will be shown a furred black flag and SOUND board with your car number. This notification is not a penalty – rather, an advisory to provide an opportunity for you to address the issue. During qualifying, if your car has a sound reading in excess of 102dB three or more times, you will be black flagged, and lose qualifying times for that session up to that point. You may attempt repairs and re-enter. During the race, if your car has a sound reading in excess of 102db three or more times, you will be moved to last finishing position with a loss of event points. For your information, sound readings will be posted at the Driver Information Center in the Pavilion. **No race car or engine with open exhaust may be run before 8:00AM or after 6:00PM on weekend days or after 4:30PM Friday night.**

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be released to the driver/crew after tech has made appropriate notations in the vehicle logbook. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

CLOTHING: Closed-toed shoes and shirts with sleeves are required in pit lane, false grid and grid.

PIT LANE: Proper Credentials are required. Cars entering the track from the pits must remain to the right of blend line until the end of that line at turn one. As the pit lane is narrow, please stop as far to the right as possible for the safety of crew and pit lane personnel. All competitors must maintain a slow, prudent speed on pit lane at all times. Use the transit lane until reaching and upon exiting your pit stall. Do not drive through other pit stalls. Tire scrubbing is permitted after the apex of corner one. Four (4) crew members (plus the driver) are allowed over the wall to service a vehicle in pit lane and only two (2) crew members are allowed over the wall for signaling purposes. No crew members are allowed at the pit wall during starts and restarts. Please do not put any equipment in the pit lane, including at the pit wall, +/- 10 feet of start/finish as this may interfere with timing and scoring electronics.

PACE / SAFETY CAR: In addition to GCR 6.6.2, the field shall follow the Pace/Safety car as long as its emergency lights are flashing even if it varies from the normal racecourse. In the event a full-course yellow results in dispatch of the safety car, the safety car will enter the racing surface past the tower.

FULL COURSE YELLOW PROCEDURES: Upon display of the full course yellow, the race leader must slow the field to the speed of the pace car at lights out on the initial pace lap as soon as practical. Trailing cars must pack up, using caution that cars ahead may be at a slower pace.

RESULTS: Unless otherwise announced, live timing will be available during the event via the Race Monitor App and Race Hero app, both have apps for iPhone and Android phones. Qualifying, provisional, and final results will be posted on-line at bit.ly/cendivresults and will be available on the Milwaukee Region (scca-milwaukee.org) website as soon as possible after the on-track session.

AWARDS: Majors points and trophies for all races will be awarded in accordance with the GCR. Trophies will be presented at the event. Trophy table will be in the main Pavilion. No trophies will be mailed. Sunday's Majors race will be a points race for the CenDiv Champ Series.

DATA ACQUISITION: Majors staff and their delegates may install data acquisition equipment in a competitor's car. This program is to assist the CRB in performance balancing. If selected, participation is not optional and is not protestable. The data collected will not be used for compliance purposes.

SOCIAL EVENT: The Saturday night party will be limited to volunteers only.

Paddock: No Parallel Parking allowed without prior approval. The apron along the main access road is available to racers to use at their discretion as long as they are considerate of fellow competitors and behind the line. Trailers, and campsites including motorhomes and lawn chairs, must be completely on the grass. The main access road must remain open for emergency vehicles and two-way traffic. Failure to follow the direction of the Paddock Marshal or her/his designate regarding paddock parking or activities may result in expulsion from the facilities.

WELCOMING ENVIRONMENT: The Central Division SCCA, Blackhawk Valley and Milwaukee regions aim to provide an inclusive, welcoming environment for all participants. Further, we fully support and endorse the National SCCA Welcoming environment policies. To that end, behaviors such as the following will be considered egregious examples of GCR 2.1.7, "Acting in an unsportsmanlike manner", and will be penalized as such:

1. Discriminating against, disparaging, or verbally abusing a participant because of their gender identity, ethnicity, marital status, sexual orientation, religion, age, or disability.
2. Harassing, intimidating, threatening, or bullying any participant.
3. Doing any of the above outside the confines of an event, or in print, or electronic media in a way that affects that person's participation at an event.

TIRE SERVICE: Hoosier Tire Midwest, [574-936-8344](tel:574-936-8344), email hoosiertireply@aol.com Preorders are appreciated 1-2 weeks in advance.

GENERAL RULES:

- A competitor involved in contact, or who has violated flag rules (yellow, black, red, or checker), must proceed directly to the black flag station or impound in the racecar, and report to the steward.
- Drivers may be held financially responsible for harm to property, including damage to the track and to the environment.

BLACKHAWK FARMS RACEWAY RULES.

- a. Wristband Requirement: A wristband indicating you have registered for the event must be presented to the Guard to allow your entry onto the property of Blackhawk Farms Raceway.
- b. All minors must be under direct parental or acting guardian supervision at all times.
- c. Drivers/workers are responsible for the conduct of their crews and guests.
- d. All pet animals must be leashed or confined and cleaned up after.
- e. No two or three wheeled vehicles are allowed except for race officials' use or as race support vehicles. Only licensed drivers 16 years and older may operate race support vehicles or golf carts.
- f. The Café Fastee Concession Stand will be available for most events. Gas, oil, water, and air are available. Souvenirs and other consumables are available for purchase in the Pit Stop.
- g. All trash must be placed in receptacles provided. Environmentally hazardous waste must be disposed of in appropriate receptacles. All used tires must be removed. Fees charged for disposal will be assessed to the responsible driver.
- h. All drivers and members will be responsible for notifying crews and guests the hours of registration.
- i. Electric power is available. Tags for the outlets will be issued at time of purchase from security or in the Pit Stop.
- j. All drivers, members, and officials must comply with the Pit Vehicle Policy of Blackhawk Farms Raceway; including the purchase and display of a Pit Vehicle Pass for each unit present on the premises. Passes may be purchased at the Pit Stop. Pit vehicles are not allowed on the competition track surface or hot pit lane at any time.

- k. The use of Unmanned Aircraft Systems (UAS), better known as drones, is prohibited.
- l. See BFR Guidelines During the COVID-19 Precautionary Period for additional information:
<https://blackhawkfarms.com/blackhawk-farms-and-covid-19/>

All competitors must vacate the premises by 7:00 PM Sunday.

Violators will be liable for the fees assessed by the Track.
