

**The Rodeo Cat Majors**  
Milwaukee Region  
July 22-23, 2023  
Road America  
Sanction # 23-M-59539

*The SCCA strives to ensure that ALL participants in its events and activities enjoy a welcoming environment. The SCCA supports equality of opportunity and treatment for all participants and will make every effort to maintain an environment that is free of harassment, discrimination, and any behavior that interferes with a safe, fun, and exciting experience. A commitment to a welcoming environment and the SCCA Values is expected of all its members and attendees, including drivers, workers, crew, guests, staff, contractors and exhibitors, and other participants at SCCA activities, sessions and social events and when representing the SCCA in print or electronic media.*

## **SUPPLEMENTAL REGULATIONS**

This event is governed by the 2023 General Competition Rules (GCR) and Category Specifications, as amended for 2023 per "Fastrack" and these Supplemental Regulations

### **I. REGISTRATION and FEES**

- A. **TEST DAY:** Road America will provide a test day on Friday, July 21, 2023, for Cat Majors participants. This is a track test day AND IS NOT covered under the SCCA event sanction and insurance. Please see <https://www.roadamerica.com/test-days>.
- B. **ENTRY FEES:** Entry fee for the two-day weekend is \$625. Second entry same driver \$355. Each SRF3, FE2 entry will be charged an additional \$30 compliance fee per entry for the weekend. Each SM entry will be charged an additional \$20 compliance fee per entry for the weekend. The Runoffs appearance fund fee is included in the entry fee.
- C. **PAYMENTS and REFUNDS:** Drivers can register for the race online at [msreg.com/CatMajors2023](https://msreg.com/CatMajors2023). Online registration closes Tuesday 7/18/2023 at 11:59 PM. Drivers may use or request a paper entry form and mail it with their entry fees (do not mail entries by any method that requires a signature upon delivery) to the Chief Registrar:  
Kathey Beimele Email: [regkatscca@gmail.com](mailto:regkatscca@gmail.com)  
2616 Luedke Ct Telephone (920)-377-1926 (no calls after 9:00 PM)  
Sheboygan WI 53083-4716 Monday-Friday, calls will be returned after 5:00 PM
- Credit cards will not be processed before 7/21/2023. Make checks payable to **Milwaukee Region SCCA, Inc.** A refund will be made if the entry does not touch the pit lane and/or track. Withdrawal notifications are accepted by email, phone, or in person to the Chief Registrar or via [MotorsportReg.com](https://MotorsportReg.com) and would be greatly appreciated in advance of the event. If you pre-enter and do not cancel your entry through [motorsportsreg.com](https://motorsportsreg.com) or by notifying the Chief Registrar by noon Sunday July 23rd, you will be charged a \$50 cancellation fee.
- D. **PASSES:** Each entry receives credentials for the driver plus up to three crew members. An Entrant who is not the driver and is not on any prep shop list must be listed as a crew member. Additional passes may be purchased at Registration for \$10 each. Workers, guests, & crew must sign for their own passes and must arrive while registration is open. All crew members signing in under a prep shop list must be an SCCA member. Weekend memberships are available for purchase if needed. SCCA members (non-participants) must present a valid membership card for admission (a fee may be charged). Workers and members are limited to one guest each. Worker license and membership card must be presented at registration. Volunteer workers, guests, and crew must sign for their own passes and must arrive during posted registration hours.
- E. **Paddock and GARAGE RESERVATION:** Paddock parking is not pre-reserved. Road America has garages and car ports available for rent. Please contact them directly at 1-800-365-7223. Unpaid rentals will be charged back to the renter/participant if unpaid. There is no early access to the track property on Friday for those not participating in the test day. Those arriving early will be asked to park in staging until 6:00 PM unless the test day is cleared earlier. There will be no move-in into the paddock after dark. Those arriving after dark will be asked to park in staging for the evening.

- F. **PREFERRED NUMBERS:** Every effort will be made to honor Conference Preferred Numbers until noon on July 8, 2023. Secondary preference will be given to 2023 CenDiv reserved number holders. Due to the make-up of the run groups, this may not be possible in all situations. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request. At noon on July 8, 2023, all unused numbers from both reserved number lists will be released on a first-come, first-served basis. All three-digit car numbers must start with 1, i.e.: 1XX. When two drivers are sharing the same car for the weekend, each entry must have a different number assigned to them. Also, when one driver enters two different classes in the same race group, he must have a different number for each class entered.
- G. **PADDOCK/PARKING INFORMATION:** Parking regulations are incorporated in these regulations for reference. Failure to follow the direction of the paddock marshal or their designee regarding paddock parking or activities may result in expulsion from the facilities.

Paddock areas allowed for this event are Main Paddock (excluding paddock spot #1 across from the Hagerty Tech Center garage closest to the CTECH Scale House, spots #34, #35, and #36 (which are the three spots to the south of the garage spot down to the paddock lane), West Paddock, Lower West Paddock, Competition Paddock, and North Paddock (excluding car port, paved pad). The area both on the grass and on the pavement immediately south and west of the CTECH Scale House and between the CTECH Scale House and Hagerty Tech Center garages is reserved for SCCA Official parking only. Violators may be towed without notice.

"Paddock" does not include pavement in the motor home parks, pavement by the Road America Center, paved areas in North Paddock/Lester Car Port, the Corporate Pad, pavement in front of scale building, pavement directly in front of overhead doors of the Hagerty Tech Center, any area that is designated as a fire lane, Paddock Shop patio or Victory Lane area. A fee of \$500 will be levied for each infraction.

Participants are required to take care with all pavement and other surfaces in the paddock areas. There will be no unprotected jack stands. There will also be no fuel, oil, brake cleaner or other fluid spills without clean up. Participants are required to report all spills immediately to RA personnel for proper cleanup. Failure to do so will result in fees for repair of such surfaces.

No parking is allowed in fire lanes or other non-traditional parking spaces such as the grass behind the VIP Tower or pavement not marked for parking spaces. Parking for the tower is only allowed in the reserved media parking spaces along the south tree line of the VIP Tower parking lot (the open parking lot is reserved for R/A use when needed).

Spec MX-5 Challenge Series participants will be paddocking down by Turn 14.

Any changes to the allowed parking areas will be posted at the Registration Building. Parking in any area other than those listed may result in a fine or fee levied. The fines will be the responsibility of the violator. Test day participants parking in restricted areas as shown on the map will be required to move or face penalties defined by the region and Race Director. Please reference the attached map of the locations.

## II. **DRIVER INFORMATION**

- A. **DRIVER ELIGIBILITY:** Each driver must be a current member of the SCCA and hold a SCCA Full Competition license to participate in this event. SCCA Pro Racing licenses are not accepted. If you do not have the proper credentials, it is your responsibility to contact the Registrar prior to the event.
- B. **CAR ELIGIBILITY:** Competition is open to all cars conforming to the GCR, as amended.  
Spec MX-5 Challenge Series (SMX) car rules and additional information may be found at <https://specmx-5.com/rules/>
- C. **IN-CAR CAMERAS** are required per GCR 9.3.11.

- D. **TIMING & SCORING:** All cars are required to use fully operational MyLaps (formerly AMB) transponders, and the driver is responsible for proving correct information to Timing & Scoring. Make sure your transponder is on and functioning for ALL SESSIONS. Information gathered from data collection systems and/or personal timing systems is unofficial and will not be used by race officials.
- E. **COURSE:** This is a 4.048 mile track that runs clockwise. Double yellow flags will not be displayed at Turn 15 on starts and restarts. Yellow lights may be displayed on the bridge near Turn 15 on starts and restarts. The race will begin and end at the stripe in front of Timing and Scoring. Under a Checkered Flag or Black Flag ALL, if an EXIT sign is displayed at Turn five, all cars must exit the course at that location and follow the direction of officials at the paddock crossover.
- F. **PACE / SAFETY CAR:** In addition to GCR 6.6.2, the field shall follow the Pace/Safety car as long as its emergency lights are flashing even if it varies from the normal racecourse. In the event a full-course yellow results in dispatch of the safety car, the safety car will enter the racing surface at pit out.
- G. **FULL COURSE YELLOW PROCEDURES:** Upon display of the full course yellow, the race leader must slow the field to the speed of the pace car at lights out on the initial pace lap as soon as practical. Trailing cars must pack up, using caution that cars ahead may be at a slower pace. In the event of a wave-off during a start or an incident at the start, a safety car may be dispatched from corner 5 to pick up the field.
- H. **BLACK FLAG:** The Black flag will be displayed at turn **13 14 (modified via RFA 06/30)** and start/finish. If you receive a black flag, you must report to a steward at the Black Flag station or impound. The Black Flag station for the qualifying sessions will be located south of the tunnel which is just past the exit of Grid. **For the races**, the Black Flag station will be located in impound by the scales.
- I. **RADIO FREQUENCIES:** The radio frequencies below are reserved for race operations and may not be used by competitors. Race officials may designate other frequencies for race administration.

452.7000	457.7000	461.1500	461.3250	462.2000	463.7000	464.0750
461.1750	463.2250	464.5250	466.1750	468.2250	469.5250	

- J. **SOUND CONTROL** is located drivers left just past Turn 3. The maximum sound reading allowed by local ordinance is 103dB. During qualifying, if your car has a sound reading in excess of 103dB three or more times, you will be black flagged, and lose qualifying times for that session. You may attempt repairs and re-enter, but times prior to the black flag are lost. During the race, if your car has a sound reading in excess of 103dB three or more times, you will be black flagged, and moved to last finishing position with a loss of event points. When possible, during any on-track session, in the event that your car is measured above the maximum, you may be shown a furled black flag and SOUND board with your car number at Start/Finish. This is to advise you that your car has exceeded the limit and is not a penalty – rather, an advisory to provide an opportunity for you to address the issue. For your information, sound readings will be posted at driver information (by the gas pumps). Please see Addendum A: Rules of Road America section 5.0 for when race engines may be run and quiet hours.
- K. **HARDSHIP LAPS:** Hardship laps will be available for a limited number of cars between sessions, provided the course conditions and schedule permit. A hardship lap is defined as a single lap from pit out to the cross-over at Turn 5. To request a hardship lap, present your car at the top of the Grid (north side of the tunnel) before the end of a session and advise the Grid officials of your need. You may not take a hardship lap immediately prior to your session.
- L. **AWARDS:** SCCA U.S. Majors Tour points and trophies will be awarded in accordance with the GCR and these Supplemental Regulations. Trophies and checkered flags be available for pickup at driver information (by the gas pumps) after the race results become official. No trophies will be mailed. Only Sunday's Majors race will be a points race for the CenDiv Champ Series.

- M. **VICTORY LAPS:** Winner of all races will receive a checkered flag. For Sunday races only, following the cool down lap, the winner of each class should proceed immediately to pit out where they will receive a checkered flag and proceed on course for a single Victory Lap, weather and schedule permitting. Passengers are permitted in accordance with GCR 6.11.7. Drivers in closed cockpit cars need not wear their helmet or gloves during the victory lap. ***Drivers and passengers in open cockpit cars must be wearing helmets.*** Drivers shall maintain a safe speed and be wary of safety vehicles that may be on course.

### III. CAR SAFETY and TECH INSPECTION

- A. **DECALS:** Competition vehicles must display the official SCCA Summit Racing Equipment Road Racing decal per GCR section 9.3.29.C (Figure 4). (This SCCA decal does not serve as the Summit Racing Equipment contingency program decal.) To be eligible for the CenDiv Divisional Championship Series presented by TRO Manufacturing and BrakeOMeter cars are required to display CenDiv Series stickers visibly on both sides of the vehicle. Stickers will be provided free of charge and may be obtained at tech.
- B. **DATA ACQUISITION:** Majors staff and their delegates may install data acquisition equipment in a competitor's car. This program is to assist the CRB in performance balancing. If selected, participation is not optional and is not protestable. The data collected will not be used for compliance purposes. All cars carrying an SCCA data collection device must report to impound and be weighed immediately after their session. Failure to do so may result in penalties.
- C. **SCALES** are located at the CTECH Scale House just south of the Hagerty Tech Center. Scale hours are listed on the event schedule. The availability of scales and times will be posted at Tech. Scales may be available for other participants during race impound, but priority will be given to impounded cars. Scales may be made available at other times at the discretion of the Chief of Tech.
- D. **TECH** will be in the Hagerty Tech Center. Drivers with a current year helmet sticker (signifying their driver gear and helmet have been inspected previously in the current year) are not required to present their helmet or gear at Tech. Only the logbook and completed tech card (provided to the driver or entrant during Registration check-in) are required to be presented. Any vehicle without a current Annual Technical Inspection stamp and/or helmet without a current year helmet sticker must be presented for annual inspection. Please allow sufficient time to have your car inspected.

### IV. QUALIFYING/RACE

- A. **GRID:** Starting positions for Saturday Qualifying will be set based on first to arrive at Grid. Starting positions for the Saturday race will be determined by the fastest time recorded for each car from the preceding qualifying session. SMX class starting positions for the Sunday race will be determined based on the fastest lap from their Sunday's qualifying session only. Starting positions for the Sunday race for all other classes will be determined by the fastest time recorded for each car during any of the preceding qualifying sessions or the fastest lap during the Saturday race. If qualifying is not run for a group for any reason, the Race Director shall determine the method of setting the grid for the race. The fastest qualifier in a race group who selects the "outside pole" (per GCR) must notify the Grid Marshal at the front of the field before the five-minute warning is given for that race group. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap. If the Race Director allows the substitution of a car or driver, per GCR 5.12.3.A.6, any qualifying times earned for the original car/driver up to that point will be removed.
- B. **CURRENT ROAD AMERICA TRACK RECORDS** may be found at on the CenDiv website at:  
[cendiv-scca.org/wp-content/uploads/TrackRecords/ra.pdf](http://cendiv-scca.org/wp-content/uploads/TrackRecords/ra.pdf)
- C. **RACE:** A driver who is unable to maintain a safe pace during the race may be black flagged.

## V. IMPOUND

- A. **SPLIT STARTS** from any group without one indicated in the schedule will be at the discretion of the Race Director who must receive a request within 30 minutes after posting the final grid.
- B. **IMPOUND:** For Saturday and Sunday races, the top three competitors in each class shall report to impound immediately following the completion of their race or victory lap.  
**SMX** cars are to report to impound to be weighed (as a minimum) after every on-track session.
- C. **CONTACT AND FLAG RULE VIOLATION:** A competitor involved in contact or who has violated flag rules (yellow, black, red, or checker) must proceed directly to the black flag station or impound in the racecar at the end of the session, and report to the steward. **All on-track body contact** (including contact during drafting) that causes a car to act erratically and result in a change of position or a car leaving the course will be investigated. Drivers who do not satisfy this requirement will be referred to the Stewards of the Meeting (SOM).

## VI. GENERAL

- A. **RACE LENGTH:** Saturday races will be 25 minutes. Sunday races will be 12 laps or maximum of 35 minutes. When the LAST LAP INDICATOR is given at Start/Finish, the next flag will be a checkered flag. In the case of a long delay and where the time limit has expired, the Race Director may convert to laps to allow a green, white, checker to complete the race.
- B. **JUDGES OF THE FACT:** Any starter, steward, or timing person in an appropriate location as determined by their chief or Race Director/Chief Steward are designated Judges of the Fact for starts and finishes per GCR 5.11.3.
- C. **RESULTS:** Unless otherwise announced, live timing will be available during the event via the Race Monitor App and Race Hero app, both have apps for iPhone and Android phones. Live timing information is neither official nor protestable. Provisional and final grids and race results will be posted on-line at [bit.ly/cendivresults](http://bit.ly/cendivresults) and official race results will be available on the Milwaukee Region ([scca-milwaukee.org](http://scca-milwaukee.org)) website as soon as possible after the conclusion of the event
- D. **START TIMES:** Start times indicated in schedule are when cars are scheduled to be released from grid onto the track.
- E. **EVENT SCHEDULE / RUN GROUPS:** Actual session start times may be delayed from the published schedule due to unforeseen circumstances during the event. It is the driver's responsibility to listen to the PA system and pay attention to activity on track. The schedule or run groups may only be changed (or start times advanced) at the discretion of the Race Director, with concurrence by the Road Racing Committee Co-chairman, depending on pre-race entry counts or as needed to accommodate situations during the event.
- F. **CANCELLATION:** If part of an event is cancelled for reasons of safety or forces beyond our control as provided by GCR Appendix B.1.2.A., points will be awarded based on race grids.
- G. **DISABLED CARS:** Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis damage it will be released to the driver/crew after tech has made appropriate notations in the vehicle logbook. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.
- H. **CLOTHING:** Safe apparel must be worn in the pit lane, false grid, and grid at all times (long pants, sleeved shirts, and closed-toe shoes). Crew members must display their event credentials at all times while on pit lane and on the grid.
- I. **PIT LANE:** Drivers are to maintain a safe speed on Pit Lane with **absolutely** no racing. Cars entering the track from the pits must remain to the right of blend line until the end of that line at turn one. Tire scrubbing is permitted after the apex of corner one. Use the transit lane until reaching and upon exiting your pit stall. Do not drive through other pit stalls. To facilitate timely movement of the next race group onto the track, cars entering the pits following the checkered flag may be stopped before center pit to allow the next group to exit the grid. All cars will exit the hot pits only at pit out. Please do not put any equipment in the pit lane, including at the pit wall, +/- 10 feet of start/finish as

this may interfere with timing and scoring electronics. Four (4) crew members (plus the driver) are allowed over the wall to service a vehicle in pit lane and only two (2) crew members are allowed over the wall for signaling purposes. No crew members are allowed at the pit wall during starts and restarts.

J. **TIRE VENDORS:**

K. **FUEL:** Road America has Sunoco 98 and 110 available on-site at the paddock gas station.

Sunoco 100 is available at EH Wolf & Sons, 501 Kettle Moraine Dr S, Slinger, WI 53086. 262-644-5030  
website: <https://www.ehwolf.com/gasstations>

L. Drivers may be held responsible for harm to property, including damage to the track and to the environment. Fees charged for the removal / disposal of hazardous waste or used tires will be assessed to the responsible driver.

VII. **ROAD AMERICA TRACK RULES**

A. **ADDENDUM A: RULES OF ROAD AMERICA:** These rules in the attached addendum are the track rules and are considered part of these supplementary regulations and are enforceable as such.

B. **DRONES:** No drones or unmanned aircraft systems (UAS) are allowed. See Addendum A: Rules of Road America section 11.1 for further details.

C. **CAMPING:** Camping will not require passes for either tent camping or motorhome camping. This free camping is thanks to the drivers' contributions to the Worker Fund. Camping areas are to be within the acceptable paddock areas and volunteers may camp by the outside of the Sargento Bridge. To reserve motorhomes sites (\$300) in the Motorhome Park off the main paddock road (just north of the Paddock Shop), please email Road America at [registrar@roadamerica.com](mailto:registrar@roadamerica.com).

D. **GOLF CART RENTALS** are available. Please contact Road America at 800-365-7223 to make arrangements.

E. **PIT VEHICLE PASSES** are required and are available from the Road America Administrative Office during business hours and from security at any time.

F. **HOSPITALITY RENTALS:** If any items (tents, tables, chairs, etc.) need to be rented for the weekend, please order as soon as possible. Some of the providers are charging a 20% convenience fee on orders received less than 14 days prior to the event.

G. Road America does not allow motorhomes, trailers, rigs, etc. to be left on the property after the conclusion of an event (fee structure available upon request). Road America Security or Administrative Office should be contacted to make such arrangements. Those items left without going through the proper procedures will be impounded and returned to the owner only after the impound fees and other associated costs are paid to Road America by said owner.

H. **PACKAGE DELIVERY:** Deliver all packages to:

Elkhart Lake's Road America, Inc.  
c/o (Participant's name, club, or organization & cell #)  
N7390 State Hwy 67  
Plymouth, WI 53073

There will be a handling fee of \$5 fee for every package shipped to the track to be collected prior to the release of the package. There will also be a minimum charge of \$65 fee all shipments that need to be unloaded by track personnel using track equipment.

## VIII. ALERTS

- A. **ROAD CONSTRUCTION:** Please be advised there is road construction on various roads leading to Road America. One major artery affected between Chicago and the track is I-43 between Glendale and Grafton. For the latest Wisconsin DOT Construction and road closure information, please visit <https://projects.511wi.gov/>.
