# SCCA Membership Programs

SCCA introduced participation rewards for current and new Club Racing volunteer officials several months ago. It is now possible to record participation throughout the year or when renewing your SCCA membership on-line at [www.scca.com](http://www.scca.com) and logging-in. After logging-in click the My Membership tab on the left.

Effective January 1, 2008, the Club Racing Volunteer Incentive program offers this graduated dues discount structure for membership renewal:

# of Participation Days	Dues Discount
Four	\$15
Six	\$22
Eight	\$30
12 or more	\$30, recognition in SportsCar & special ID card

(SCCA Club Racing Sanctioned Events Only)

You are credited per the schedule above by recording event participation in your on-line membership records. Volunteers not wishing to record their participation on-line may complete and return a participation form which is included with membership renewals. Credits are transferable to a Spouse or Family member.

The New Club Racing Volunteer membership incentive is \$30 for the first year and the first weekend of participation is free. The new volunteer must not have been a member in the past 18 months.

To record participation, the new volunteer fills out a three-part form at event registration and retains the last copy. It is important for the volunteer to retain this copy because it must be signed by their specialty chief to certify participation. The new volunteer joins the SCCA by sending the signed form and \$30 to the SCCA office or by submitting the signed form and dues at a Club Racing event's registration.

The dues structure for the New Club Racing Volunteer remains the same in the second and third years of membership if the volunteer works four days in each of those years. Credits are applied when the member records event participation in the manner described above for the Club Racing Volunteer Official.

Special note to current members: If you have less than three years of membership, please contact the Membership Services Department at 800.770.2055 or by e-mail to [membership@scca.com](mailto:membership@scca.com) to take advantage of this program.

Further details of the Club Racing Volunteer Officials programs and other membership incentives are found by logging in at [www.scca.com](http://www.scca.com) under the "File Cabinet" tab.

**Are you bored at the track?  
Need something to do?  
Want to become  
more involved?**

How about helping out at our trophy presentation table?

We're looking for some helpers to help hand out trophies to the drivers on Sunday afternoons after the first race of an SCCA Milwaukee Region National event, or on Saturday or Sunday (or both!) of an SCCA Milwaukee Region Double Regional event.

This job is **EASY**... all you have to do is hand out trophies to the drivers and post the race results and sound sheets on the bulletin board. We will make sure you are paired up with an experienced helper that can show you how it's done and be there to answer any questions.

This job is **FUN**... meet the drivers.....hear their stories.....work with really nice people!

Bring your kids or a friend along if you'd like - they can help too! You do NOT need to be an SCCA licensed worker or SCCA member to help at the trophy table!

Just show up at the trophy table at one of our races. We would be glad to have you!

Our trophy table is located in the pavilion at Black Hawk Farms and in the gas station (AIR CONDITIONING!!) at Road America.

If you are interested in helping or have any questions contact Jackie Yahn at [razerx@execpc.com](mailto:razerx@execpc.com).

See you at the track!!

## **2008 Milwaukee Region Worker Incentive Program**

The 2008 Incentive Program consists of 8 possible days, you would need to work **5 of the 8 days** to qualify for the \$80 credit. All events are at Road America.

May 31 & June 1 – Bonneau Double Regional

July 26 & 27 – Cat National

Sept. 19, 20, & 21 – VSCDA

FRIDAY, Oct. 31 – “Drive America” PDX

Any questions, please contact Chris Cwiklinski, 414-449-3862 or ccwikl@sbcglobal.net

## **Meadowdale Raceway 50th Anniversary Reunion and Festival Update**

Meadowdale International Raceway, Carpentersville, IL opened with its first race on September 13-14, 1958. To celebrate that occasion we are preparing a 50th Anniversary Reunion and Festival at the old track on September 13-14, 2008. Hours are 10AM to 6PM. Reunion gatherings for racers and workers are set for about 2PM each day.

The MIR 50th festival will include displays of race cars and street cars from the era, veteran drivers, videos and speakers on the races, hayrack rides around the old track, plus other attractions for adults and kids. And it's all FREE.

Meadowdale was an exceptionally demanding 3.27 mile road course. The track property is now being restored as public Open Space, called Raceway Woods. The track condition and homes now adjacent to the track preclude any racing, but hiking or riding on portions of the old track will bring back memories for those who were there, and wishful thoughts for those who weren't.

It is being widely promoted and our WAG on attendance is 2,000-3,000, and it could be a lot more. The Heritage Days festival with 10,000+ attendees will be going on in nearby Dundee. We will run a bus between the two events.

We invite all racers to be part of this event, either by displaying your '50s-'60s era race or street cars, or by setting up a display for your club with some Meadowdale connection. Individuals and non-profits get car display space or 10x10 booths free. For-profit venture display fees are nominal.

Visit [www.meadowdaleraceway.homestead.com](http://www.meadowdaleraceway.homestead.com) to see what Meadowdale looks like now, and click on the 50th Anniversary link for details of this event and applications for car, club and commercial booth space.

Do not hesitate to contact me for any further information or assistance.
