March of Dimes Drive for Babies Friday, October 31, 2008, Road America

Every year nearly 500,000 babies are born premature in the United States. Wisconsin ranks 50th among the states in infant mortality. Premature birth is number one cause of infant mortality. Every one of you has been touched by the March of Dimes. From Polio vaccine to folic acid, the effects of smoking and alcohol on fetal development, and the miracle drug Surfactant, every one has benefited from the research funded by the March of Dimes. Last year we raised over \$40,000 for March of Dimes.

The March of Dimes, in collaboration with the Sports Car Club of America – Milwaukee Region, will be hosting the Third annual Drive for Babies at the famous Road America Track in Elkhart Lake Wisconsin on Friday October 31, 2008. Driving enthusiasts will have the opportunity to drive their own car and participate in a high speed on-track event. All drivers will receive driving instruction and safety guidelines from some of the most experienced drivers in the country.

All participants can also enjoy an auto cross experience. An awards dinner will complete the day's events and provide of opportunity for fellowship and sharing driving stories.

Milwaukee region is looking for volunteers to help staff this March of Dimes fund raiser. We are looking for workers in the F&C, Grid and Starters positions. Please consider volunteering your time to help with this worthy cause. The morning meeting is at 8:25 at the gas station. Contact Tobin Schuster at tobin.j.schuster@gmail.com or (414) 416-2371 if you are available to help staff this event or if you have any questions.

Flyer with the schedule is on the next page.

You Are Invited..... Annual Business Meeting Wednesday, November 12, 2008, 6:30pm Italian Community Center 631 E. Chicago Street Milwaukee, WI

The Annual Business meeting is being split off from the Awards Banquet, which will be held at a later date early in 2009.
